

HIGHEST PRIORITY TARGETS

A. Guided Missiles

1. MOLOTOVSK
2. SEVEROMORSK
3. KOMSOMOLSK
4. MOZHAYSK
5. VALDAI

(Note: Indications from existing KAPUSTIN YAR photography strongly suggest that there are existing installations outside the range of the recent coverage which may be quite significant. It is hoped that mission planning to cover targets in the Urals area might be so planned as to produce supplementary coverage of the KAPUSTIN YAR area peripheral to the area already covered.)
